Greenwich Psychic Readings

Psychic has been part of the world culture and history for as far back as Nostradamus.

Janet Lee has been doing readings in Connecticut for over 20 years she has had many stories written up about her and her work in Connecticut and was featured on the front page of the Greenwich Time and in the NY Times and the NY Post.

Janet is a part of most local charities and non-profits in Greenwich.

If you're looking for answers in love, marriage, business, health or if you're just lost and need a look ahead. Janet can guide you though all life's difficulties. If you're looking for fun, then Janet Lee is not the intuitionist for you.

"I take great pride in what I do and my job here on Earth is to guide people to their path and with my wisdom and knowledge. I've met and helped many wonderful people".

All readings are private and confidential.

Call today for your reading and experience what the power of knowledge can do for you in your journey through the vision of Janet Lee.
